During the month of November, 1969, the assets of trust funds were withdrawn from the savings accounts and re-invested in the following securities:

\$10,000 Bond New Eng. Tel. & Tel. 6-1/8% 2006  
\$ 5,000 Bond Philadelphia Elec. Co. 6-1/8% 1997  
\$ 1,000 Bond U. S. Series H

100 Shares Libbey Owens Ford  
100 Shares Smith, Kline, and French Labs.  
200 Shares East. Util. Assoc.

This will allow the funds to take advantage of the significantly higher interest rates now available on high quality bonds and stocks.

The securities were selected from the list of securities approved by the State of New Hampshire for investment by Savings Banks with the advice of the brokerage house of Dominick and Dominick. It is the intention of the Trustees of the Trust Funds to hold quarterly public meetings to review these investments.

State law requires that records must be maintained for each individual fund and all income and capital gain (or loss) of a common fund be prorated to the individual funds. The services of a computer have been donated which will simplify this additional and complicated bookkeeping.

The Board of Trustees and the Librarian accepts with regret the retirement of Mrs. Richard Kimball after 23 years of devoted service. She was responsible for the selection of books for children.

Innovations this year include a best seller shelf, a paperback shelf, and story hours for the children. The paperback shelf is run on an exchange basis. Take one - Bring one to replace it. The story hours are held on Tuesdays at 4:30. Watch the Library bulletin board for the date of the next one. More than one hundred gift record albums are displayed in new cases. These may be borrowed by adults for three weeks just as the books are.

The Library is located on the first floor of the Town Hall.  
Hours: Tuesday, 4 - 6 p.m. and Thursday, 7 - 9 p.m. Do drop in.

Respectfully submitted,

## SANBORN LIBRARY OF NO. DANVILLE

The Library Committee wishes to thank the Village Improvement and Old Red Schoolhouse Historical Society, and members of the Community for their continued interest, support, and patronage.

The Library is able to operate on a very small budget because of the efforts of many people. Magazines and books are donated, the V. I. S. helps to pay for essential supplies. Volunteers help with "Story Time for Tots." The building is maintained and wood is provided and cut into stove lengths.

The State Library Bookmobile calls regularly and loans us 100 or more books each trip. The Danville Elementary School kindly loaned books for our use last Summer. Also, a State Grant allows for the procurement of reference books.

All of these efforts help to make your Library an attractive place with a varied selection for many interests for all ages.

The Library is open on Monday afternoons from 3:00 P. M. to 6:00 P. M. and all are welcome.

## REPORT OF POLICE DEPARTMENT

This year the Danville Police Department is again pleased to report another graduate of the Rockingham County Police Training Academy, Officer Arthur Pierce, Sr,

The listings below are some indication that Danville problems in the law enforcement area are increasing in proportion with the rest of the nation. A neighborly community such as Danville does have advantages in that its citizens can be of great assistance by reporting any information regardless of how unimportant it may seem to them. All assistance of this type, during this year, has been greatly appreciated.

Through the T.V., radio, newspapers, etc. the public is becoming more concerned and more aware of the drug abuse problems which are increasing daily in our area and anyone having information on this, however slight, should report to their local, county or state law enforcement departments. Anyone desiring information on drug abuse may obtain this through the library, PTA, and law enforcement agencies.

## REPORT OF FOREST FIRE WARDEN AND DISTRICT CHIEF

Less fortunate than our northern towns, we had too many fires. Carelessness in burning trash and discarding smoking material and children playing with fire caused most of the fires. Your Forest Fire Warden's job would be easier if everyone understood the State laws that govern the kindling of outdoor fires. A synopsis of these laws follow:

### Fire Permit

A fire permit is needed for all outdoor fires in or near woodland anytime the ground is not covered with snow. This includes household waste burning, even if in an incinerator, grass burning, garden trash as well as brush burning. Such burning is restricted by regulation to be prior to 9:00 a.m. and after 5:00 p.m.

### Exceptions

Commercial or industrial burning is allowed anytime under normal conditions with permission of the District Chief and a permit from the Fire Warden.

Household waste burning, with a permit, is allowed on rainy days between 9:00 a.m. and 5:00 p.m.

Camp or cooking fires are allowed on your own property with permission of the Fire Warden. On another's property with written permission of the landowner and permission of the Fire Warden. The Warden can forbid such fires if in a hazardous area. Permits for cooking fires in the White Mountain National Forest can be obtained from the Laconia Office or at the Ranger Stations. Permits are not required in public camp or picnic grounds where fireplaces have been built for this purpose.

### Escaped Fires

If a fire escapes from your control, whether or not you have a permit, you are liable for the costs for control and extinguishment. If you start a fire illegally there is the additional chance of a fine. The landowner may also recover his loss or damages from the fire.

It is unlawful to drop or throw burning material in wooded areas.

Anyone seeing an uncontrolled and unattended forest fire is bound by statute to report it.

### Penalties

1. For kindling a fire without a permit. Maximum of \$200.00 fine; or imprisonment for not more than 60 days.

2. For kindling a fire by any means willfully or recklessly that shall endanger woodlands the maximum fine is \$500.00 or one year's imprisonment.

3. For failure to totally extinguish a camp or cooking fire before leaving it the same penalties as in (1) above.

4. For dropping inflammable material in or near woodland, maximum fine is \$25.00.

Fire prevention is a personal matter and a good habit. Keep our town free from smokes in 1970.
